

CUSTOMER TESTIMONIALS

Over 25 broadband providers have upgraded VoIP with Alianza's Cloud Voice Platform. With our modern SaaS solution, customers boost margins, simplify operations and improve their cloud communications portfolio with better features, reliability, and call quality.

ADAMS CABLE SERVICE

"In addition to providing top-notch technology, Alianza is staffed with tremendous people throughout the organization. We continue to have an **excellent experience in all aspects of our relationship**, from migration and onboarding to day-to-day support."

WENDY HARTMAN, GENERAL MANAGER

"With Alianza's focus on broadband operators and its agile platform, **we know that we have the best solution** to continuously improve our phone service for customers"

DAVID AUGER, CEO

"Alianza and Level 3 **provide the best path forward for our next generation of residential and business VoIP services**. Hands down, their solution delivers the best business model, most innovative feature set and dramatically streamlined management."

MARK MASENHEIMER, VP OF OPERATIONS

"The Alianza team and its innovative technology are outstanding; **its cloud-based VoIP solution is the future of cable voice** and is clearly the best choice for Eagle Communications."

TRAVIS KOHLRUS, GENERAL MANAGER

“Alianza’s solution provides us with a future-proof and extremely easy-to-manage solution. The **pace of innovation, the cost of ownership and the simplicity built into the solution are profoundly better than those of other solutions in the market.** With this great partnership, we are in a strong position to grow with new services and better serve our customers.”

MARK WALTER, SENIOR VICE PRESIDENT

“With Alianza as our new voice partner, we are adopting an **enduring, future-proof VoIP solution delivered from the cloud.** This benefits Co-Mo operationally and financially and we’ll be able to deliver a better customer experience for our subscribers.”

ANDY BURGER, GENERAL MANAGER

“Technology partners play a key role in how we positively impact the communities we serve. **Through our Alianza partnership, we have a stronger solution to continue that tradition.**”

JOHN WALSON, PRESIDENT

“We value Alianza’s **constant innovation that enhances their already powerful and rich VoIP solution.** Using Alianza’s Cloud Voice Platform, we deliver excellent and reliable communication services.”

MICHAEL HALE, GENERAL MANAGER

“We are constantly innovating to deliver a better customer experience. **Alianza fits that mode and gives us a modern, agile, and easier to manage solution** so we can deliver the best phone service portfolio for our customers, including expanded features.”

ANNE LUTZ, DIRECTOR OF CUSTOMER SERVICE
